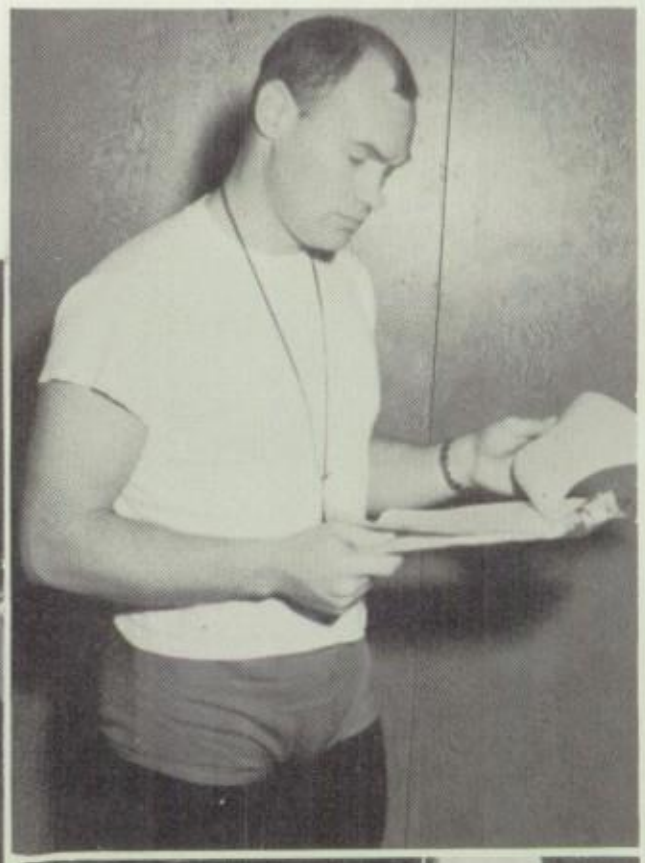
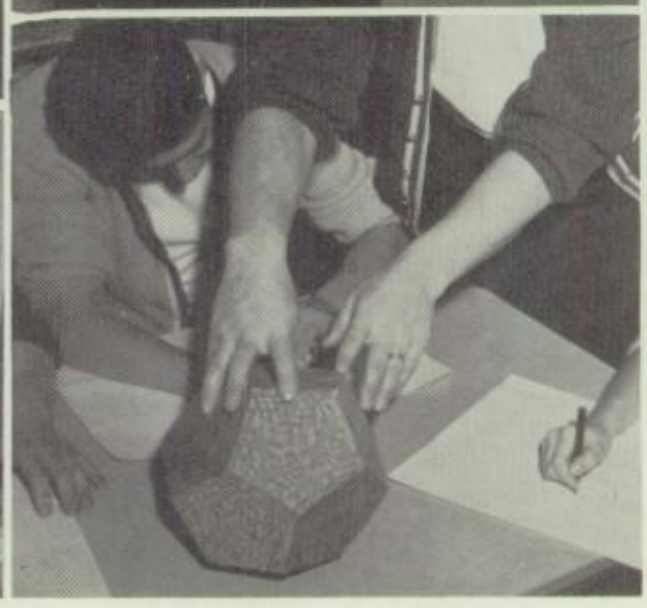
DEDICATION

Wrestling coach, fisherman, art teacher, volunteer fireman, philosopher, JC'er...all facets of a man whose inner qualities of honesty, dignity, loyalty, and drive have earned him the respect of students, fellow teachers, and the community.

We take pleasure in dedicating the 1961-62 Arrow to Wes Hogland.





FOREWORD

THE BRIDGE, SYMBOL OF LIFE

The bridge you see pictured below symbolizes the role high school plays in one's life. Just as the bridge below is a means of transfer from one side of an obstacle to the other, high school is the transition from infancy to adulthood. Just as the bridge is a landmark, familiar to all who have seen it, high school marks the place in each man's mind where the child disappeared and the man emerged. One collects many memories during this period, but man's mind is seldom capable of keeping all that it would. This book is dedicated to the purpose of retaining these memories for those who experienced this transition at Molalla High School.

ADMINISTRATION

Superintendent, J. C. Alexander

Principal, Stanley Whipple

SUPERINTENDENT'S MESSAGE

The other day Orvil Freeman, Secretary of Agriculture, stated that there had been more change in agriculture in the last fifty years than in all the time before then. This is probably true and it is also probably true that the next few years will see even more change in the way we live and the way we make a living. The work day and the work week will be only a fraction of what it now is. There will be no demand for common labor. Every person who works will have a specialty. It will be necessary for all pupils to finish high school and then have additional training of some kind, either college or technical training. The world stands at a crossroads. Either we will have the highest standard of living that the world has ever known or we might fall into the greatest depression that the world has known. In either case, the graduates of 1962 will live in a most interesting world.

School board members are elected from the community at large for a term of five years and are responsible to all the voters of the district. They serve without pay unless they can find rewards in the satisfaction of an exacting, responsible job well done. The MUHS board meets regularly once a month in addition to any number of extra meetings which bring the yearly total to an average of better than two a month, year around. Most board members also manage to attend a goodly number of the school functions, and all these represent a considerable expenditure of time.

Molalla High is very fortunate in having a conscientious group of directors who, though not always in agreement, work in a team effort and attempt to base decisions on facts and work always toward the best possible education for the MUHS boys and girls.

FORM SCHOOL POLICY

Mrs. Patricia Lantz, guidance director

Under the leadership of Mrs. Patricia Lantz, the guidance department has grown and become more effective during the past few years. The administration is always able to depend upon her assistance in the planning of class schedules and objectives; fellow faculty members call on "Pat" for advice and assistance in curriculm and class matters, and students are able to receive individual and constructive advice on their future plans and problems. The Arrow extends a hearty "thanks" to Mrs. Lantz for all that she has done for Molalla High School.

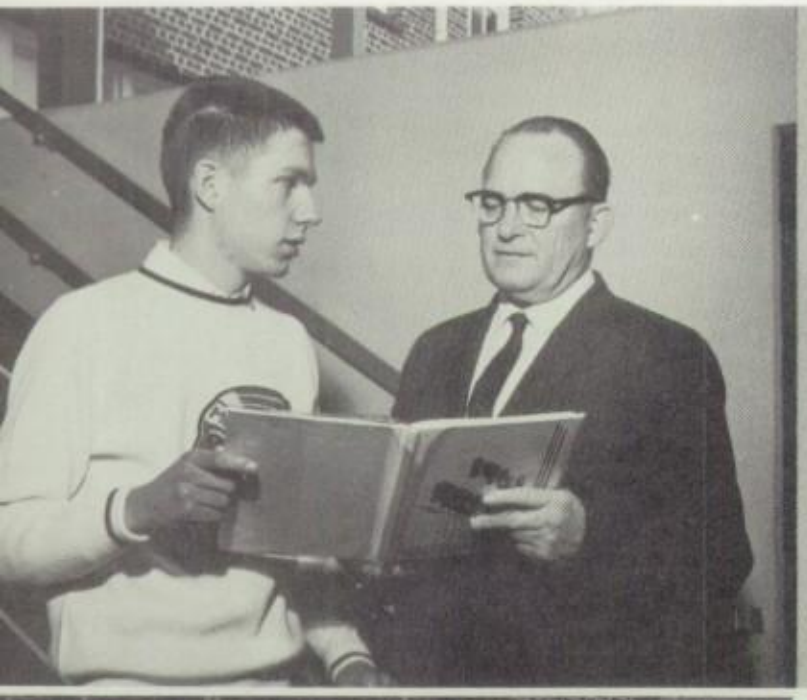
Top row left to right are Co-sports Editor Tom Sanders, Assistant Editor Lauren Thomas, Assistant Feature Editor Dot Burton, and Assistant Business Manager Sue Strohmaier.

WAR WHOOP

This year, the War Whoop has grown to a 220 column inch, bi-weekly, printed paper. Since 1958 a bi-weekly paper of only 160 column inches had been published.

The WAR WHOOP originated in 1917 when a high school news column called THE SQUEALER was printed in the PIONEER. During the next year the name of this column was changed to THE BANNER. The first newspaper bearing the nameplate, WAR WHOOP, was mimeographed in December, 1932.

Pictured above is Jeannie Gasser, War Whoop Business Manager, standing beside Karen Novak, War Whoop Editor.



President, Lauren Thomas and club advisor, Mr. Beck.

Joan Dunton, Secretary, Linda Norquist, treasurer, and Patsy Maben.

SERVICE CLUB

Service Club's main objective is to give service to the school. During football season they sell and take tickets at the gate and keep the concession stand stocked with pop and candy bars for clubs that have selling franchises.

During the basketball season, they stock the concession booth and run the popcorn machine for school use. In addition at basketball games Service Club members stand watch at the gates to assure that

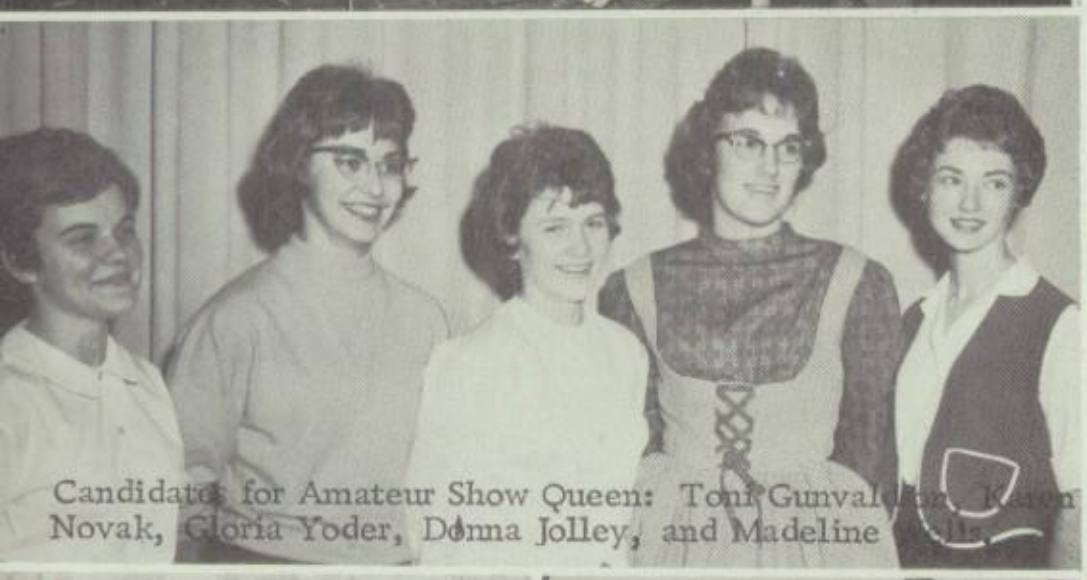
Presentation of Honorary Chapter Farmer Degrees.



Candidates for Amateur Show Queen: Toni Gunvaldson, Karen Novak, Gloria Yoder, Donna Jolley, and Madeline [illegible]

During the weeks shortly before the opening of school, FFA members were kept busy attending the county and state fairs.

Early in October the chapter purchased a new Massey Ferguson tractor, plow and disc. Agriculture classes learned the proper use of tractors. The tractor is also rented out to the community.

The annual FFA Parent-Son Banquet was held November 18, 1961. Bill Blatchford, State FFA Vice President, was guest speaker. Honorary chapter farmers were Mr. and Mrs. George Ferguson, Bill Coats, and Stan Whipple.

President Larry Ferguson and Bob Freidrich attended the National convention at Kansas City, Missouri. Bob received the highest degree attainable in FFA... the American Farmer Degree.

The chapter planted 63,000 Christmas trees in January.

Some others projects and activities during the year included:

Planting five acres of corn.
Farm shop projects.
Spring Jersey Show.
Spring Guernsey Show.
Senior Trip.
Spring Lamb Show.
Dalles Flat Stock Show.

Receiving state farmer degree awards at the State FFA Convention were;

Larry Ferguson
Mike Kirkpatrick
Ron Swartout

Mike Marshall placed second in the district FFA public speaking contest.

Parliamentary Team: Fred Alber, Bob Tilley, John Strean, Gary Wood, Larry Ferguson, and Mike Marshall.

State Farmer candidates: Front Row: Ron Swartout, Mike Kirkpatrick, Dick Swartout. Back Row: Fred Alber, Don Walen, and Larry Ferguson.

A member of the Girls' League has an opportunity to take part in activities in which she is interested. Even though a girl may not be a member of any other organization, she can find a way to express herself through Girls' League.

All girls may take part in planning the year's activities. Executive council meetings are always open to any girl who is interested in attending.

Each girl should feel that she is a part of our school because she is needed and wanted in Girls' League.

Molalla High's Concert Choir had a busy and successful school year. Besides presenting both a fall concert and a Christmas concert, the choir sang carols at the Lloyd Center and were encored by the student body at a Christmas assembly, even though the dismissal bell had rung and the busses were waiting.

They participated in both the Wilco League Choir Festival and the District Contest where they received one superior and two excellent ratings in competition with metropolitan schools.

Highlight of the year was the presentation of the Broadway musical, "Girl Crazy", by Ira and George Gershwin which played to full houses for two performances. Final performance of the year was at Baccalaureate.

GIRLS' CHORUS

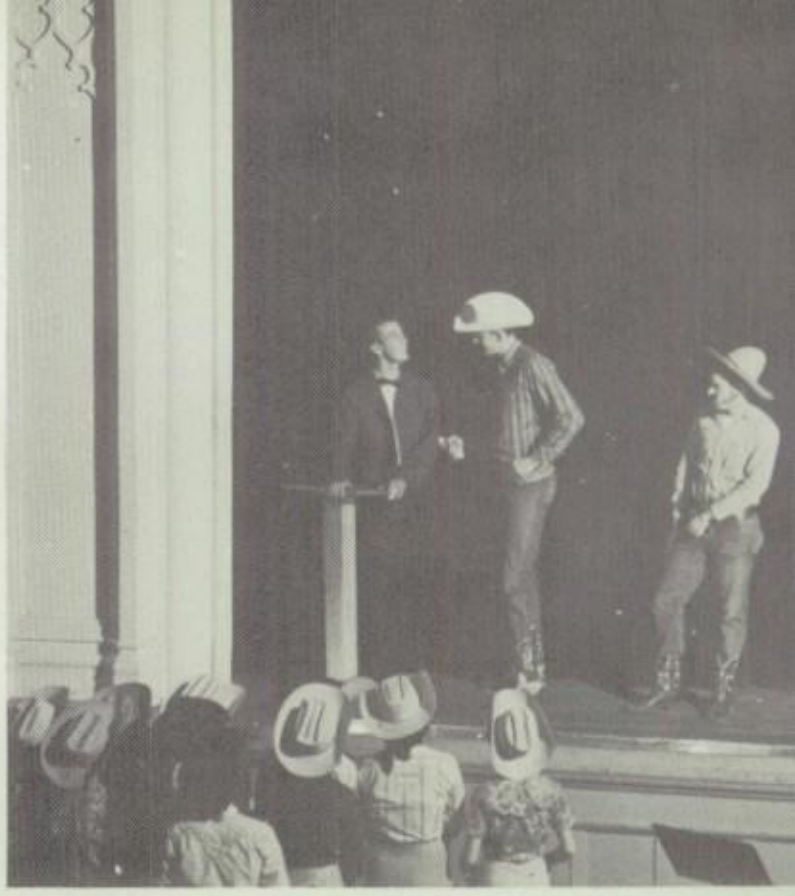
ROW ONE: Deah Day, Nancy Turner, Diane Parks, Esther Johnson, Johnny Sue Ackley, Carleen Proffitt, Bobbie Philpot, Joyce Goodwin, Beverly Williams, Joyce Durant, Wanda Rasmussen, Joy Kropf, Carol Akers, Geraldine Steele
SECOND ROW: Marge Proffitt, Janice Kropf, Carleen Pavlicek, Darlene Dugan, Leilani Oblack, Linda Thompson, Carolyn Brock, Mary Howell, Doris Ackley, Sylvia Chapelle, Mary Hester, Sandra Sims, Beverly Neumayer, Roberta Teeter, Barbara Arnold, Alva Greenwood, Sheryl Hall, accompanist, Pat Walden.

Girl's chorus is a beginning class for girls who have displayed an interest in singing in the concert choir. The class teaches fundamentals of singing and musical notation in preparation for participation in the concert choir. The girls' chorus normally presents either two or three concerts each year. This year they participated in the fall concert, the Christmas concert, and the student body Christmas concert.

Girl Crazy

Oh, give us a home...

Somebody loves me...



Did YOU hear my speech??

Handle with care

You're not taking me anywhere.

Don't worry, She'll Never know.

I can't let you go with him!

Hurry up! I want my turn, too.

Let me go, you guys, let me go!

You can't give up now!

Treat me rough, muss my hair...

Whaddya mean I'm a fake?

But not for me...

Hold on thar, lady...
or are you?

You'd better explain

The football team of Molalla Union High School did not have a very successful season. The one point of encouragement is the increase of personnel. A couple of years ago, there was hardly enough interest to field a team. This year the J.V.'s had at least 35 participants and the Varsity about 25. The new athletic facilities should increase the number of players and in turn make a better season.

The team won just one game defeating Woodburn 19-6. The loss record was 8. Against both Reynolds and Jesuit, who were league leaders, they were within one touchdown for one half of play, but due to lack of reserve strength, they were badly beaten. This was the story of the season. At least five seniors played this year that had never participated before and did a real fine job. We do hope the years to come will bring the players out as underclassmen and in return the Indians will be a continuous threat.

Based on the statement that what the athlete gives in sports is his forever, and what he does not give is lost forever, the Molalla wrestling squad is rich in athletic achievements, for they gave and gave. When the going was tough they gave; when things looked the darkest, they gave even more.

This fine group of young men overcame one major set-back after another. The first catastrophe occurred on Friday, October 13, 1961, when two lettermen in wrestling were injured in the football game with Silverton. Tony Toman, a two year letterman and District Champion received a neck injury, and Don Sandburg, a one year letterman damaged his knee. Both men were side-lined for the balance of the school year; a third letterman, John Anderson, was lost on sports eligibility during football season.

Ron Sether

As the season finally began and wrestlers were beginning to shape up and the gaps filled, school was closed due to flu epidemic which again set the squad back. This was followed by 136 pounder, Allen Reidel, being side-lined with a broken thumb.

Again new personnel with only their inexperience and determination to recommend they came through, only to set back again with an epidemic of staph infection. By the time League competion, Molalla had yet to win a match. The squad rallied to WILCO competition, and Reynolds, Sandy and Scappoose found themselves on the short end of the score, but the Molalla squad lived a short life of glory and the old staph infection was back with the Indians. They finished league competition tied for second place behind Silverton.

As the District Tournament rolled around, the team was again a threat. In experienced wrestlers, Freshman David Hanson and Ron Sether, Sophomores Bruce Grief, Bill Pavlicek and Tom Hein; Juniors Charley Jones and Dennis Barstad; and Senior Ron Swartout were coming into their own while veterans Dennis Hartman, Dick Swartout, Bob Miller and Bert St. Clair were again in shape to wrestle.

As the District Tournament opened and at the end of the first round Molalla showed strong, and then the bottom fell out. Eight wrestlers were sent home with what was thought to be food poisoning and one other suffered a shoulder seperation during his match. With many key men out, Molalla was out of the Championship competition, but they did send 4 men to state: 2 year District Champions Dick Swartout, Bert St. Clair, and Bob Miller and first year man Sophomore Tom Hein, with Bruce Grief earning a 4th place berth.

All in all, this squad showed the greatest improvement of any team I have ever coached. The squad was out-scored several times, but never surpassed in determination and drive. They were second to none.

Outstanding wrestling honors go to DICK SWARTOUT, 130 lbs., who won 18 straight matches before being defeated in the second round at State Tournament; BOB MILLER, 141 lbs. who won 15 of his 17 matches this season; BERT ST. CLAIR 157 lbs. who won 13, tied 2 and lost 2; all three men were District Champions in their respective weights.

BASEBALL

A young inexperienced Molalla baseball team surprised many people as they enjoyed a fairly successful season. The club which was composed of only three seniors, three juniors, and seven sophomores, won five games to finish up the season with a five and eight record.

The highlight of the season was when the young Indians beat Silverton 6-4 to move within one game of first place Jesuit. In the final game, Jesuit bumped Molalla 8-1 to knock the Indians out of a chance for a first place tie.

The pitching staff was led by sophomore Lynn Dunton with 2 wins and Ken Smith, Bill Shaver and Dick Schrader with one win apiece. Ray Broomfield turned in some outstanding relief performance during the season.

Leading hitters on the squad were Bob Hall 300, Stan Wilkerson 310, Larry Reed 450, Dave Judd 280, Bill Cordill 312, and Lynn Dunton 380.

Ron and Rich Rodden along with Judd made many outstanding defensive plays during the season for the Indians.

Reed, a sophomore catcher, Judd, a junior second baseman, and Dunton were selected on the first string All-Wilco League team.

The young Molalla track squad showed great increase in performances during the year and shows promise for improvement next year over this year's league trailing finish. With only 11 seniors on the team and many underclassmen participating on the varsity, a third place finish by the J.V.'s increases hopes for next year.

Seniors Denny Cole, high jump and discus; Dick Swartout, mile and 880; Bert

St. Clair, shot put, and broad jump and sprints; Ron Hartman, hurdles; Don McMullen mile; and Charles Jones, javelin, were continual point getters. Other senior lettermen were Walt Marshall, Roger Dworschak, Bill Chance, Tony Toman, and Tom Sanders.

The team's high point man was Denny Cole. Coaches this year were Wes Hogland, varsity, and Henry Kilmer, J.V.
